

## SITE DECORATION CONTEST.....

1. It has to follow the theme "A Night at the Library".

2. No size limit except to say it must fit into space available without obstructing other people or RVs.

3. The display can be on your RV or around it, whichever fits best without causing other people to be inconvenienced.

You can use water jugs or not. It makes no difference.

Winner will receive publicity and accolades.

Note: All applicant's RV sites will be shown on a map so we can see them easily. The map will be on the large communications wall in the Floral Building.
